MLB/112 Steel Litter Bin

Metallic bins offer transformative, modern on-street litter solutions, especially when the bin sports a bulky feel. This is exactly what our flagship MLB/112 Steel Litter Bin provides.

Technical Information

- Premium galvanised steel for rust and corrosion resistance, powder coated in RAL 9005 Black as standard.
- Self-locking slam lock door.
- Optional pitched lid to prevent waste and rainwater collecting on the lid.
- Fold down apertures act as deflectors and direct litter into the bin.
- Galvanised steel internal liner with handles.
- Logos or branding can be laser cut to the bin or applied in vinyl.

2YR PARTS & LABOUR
GUARANTEE

12YR ANTI-PERFORATION
WARRANTY

Construction

Hot dipped coated galvanised material to BSEN10346 grade DX51D+Z275 offering outstanding corrosion resistance and rust protection.

Hot dipped galvanised thick laser cut base plate with 4 holes for ground fixing.

Single hinged door using concealed full length large diameter stainless steel rod pivot hinge with frictionless bushes to the top and bottom, with additional fixing in the centre of the rod to ensure the door remains fixed in place.

Surface Finish

Electrostatically primed and powder coated and oven cured.

Standard Features

Self locking door using stainless steel slam lock, fixed with high tensile anti-tamper torx bolts.

10 Year Anti Perforation Warranty.

1 Year Parts & Labour Guarantee.

How to Order your MLB/112 Litter Bin

1

Colour Options

This product comes in black as standard, or you can choose any of the colours below:

As Standard:

Black
RAL 9005

Colour Options:

Silver
PCM30001

Grey
PC7016

Dark Blue
PC5013

Dark Green
6028

Additional colour options include red, yellow, light blue, orange and more.

To see our full range of body colours, you can contact our sales team by emailing hello@wybone.co.uk

2

Lid Options

Standard Lid
LID/S | Inc. in price

This flat lid comes as standard and is included in the price.

Pitched Lid
LID/P | £25.00

A high pitched lid discourages anti-social behaviour, stopping people from sitting on the bin or leaving rubbish on top.

3

Smoking Options

Pitched Ashtray
PITCH/AT | £79.00

Stainless steel self-emptying ashtray with stubber sections and large cigarette holes. A pendulum system ensures the contents empty into the liner when the ashtray is full. Fitted to the centre of the lid.

Stubber Plate
STUBBER/SS | £18.99

A stainless steel plate for stubbing out cigarettes and preventing unsightly marks on bins.

Retrofit Ashtray
RETRO/AT | £59.00

Circular galvanised steel ashtray available in gold or silver. Includes a counter-balance emptying system so no keys are required.

4

Aperture Options

(For additional options please see separate options sheet or contact us)

Standard Aperture
AP/ST

Used for litter and food waste

London Underground Aperture
AP/LU

Used for mixed recycling

Circular Aperture
AP/C

Used for cans, plastic or glass bottles

For bespoke requirements send an email to sales@wybone.co.uk

Advertising frames can be fitted to the sides of your bin for interchangeable artwork.

Use this page to plan your customisation options.

How to Order your MLB/112 Litter Bin

8

Fixing Options

RAWL Bolts
BTGRL25 | £17.99

Set of 4 bolts for ground fixing with a pre-drilled base. The ground is drilled in the same arrangement as the fixing holes in the base of the bin. Bolts are placed in position and tightened to secure in the ground.

Internal Concrete Base
SLAB/F | POA

A concrete slab fitted to the inside of the bin. This provides a concealed way to weigh the unit down and prevent it from being moved easily.

How to fit your MLB/112

1

Position the bin with the door facing in the correct direction on flat ground without obstruction.

Use chalk to mark through the fixing holes onto the ground below.

2

Remove the bin and mark the ground with a cross where the four hole positions are.

Drill 16mm holes in the 4 marked positions to a depth of 100mm or long enough to accommodate the bolt length.

Remove any debris from the holes.

3

Remove bolt from Anchor.

Fit Anchors into the holes and use a hammer to drive the anchors in.

4

Use a spanner or socket to tighten the bolts and their washers. Tightening the bolts will fan out the bolt sheath in the hole holding the bolt secure. Replace the liner and shut the door.

For further information on fitting please visit our website or look for official RAWL documentation

Take a look at our other products at www.wybone.co.uk

The MLB/112 is our flagship outdoor litter bin, often found in parks and towns across the UK.

Manufactured using premium quality galvanised steel, primed and powder coated for maximum corrosion resistance, finished in black as standard.

The internal galvanised steel liner has two handles to the exterior to make removal and emptying an easier task for operatives.

The MLB/112 comes with a flat lid as standard or choose our pitched lid to prevent rubbish being left on the top, with an optional pitched ashtray.

All our products come with a 1 year parts and labour guarantee as standard. Our galvanised steel products feature a 10 year anti-perforation warranty - this prevents the surface of our products rusting through completely.
