The Parks Bin provides a litter-picking storage area and a litter bin. All in one unit.

Brought to life using our popular BMB2/40 Barnsley Litter Bin, we wanted to create a bin that allows operatives and volunteers to collect and store litter-picking equipment and the public to dispose of their rubbish.

What we created is a bin beaming with efficiency and practicality - perfect for towns and parks.

- Made from 2mm hot-dipped galvanised steel, offering excellent rust and corrosion-resistant properties.
- Single-hinged door with a self-locking mechanism made from stainless steel, providing high tensile strength and longevity.
- One door leads to the storage area to keep litter pickers, sacks, bag hoops and cleaning products. The other door leads to the 75-litre metal liner for normal litter disposal.
- Choose from various body colours, posters and artwork to customise your bin.

Technical Information

1YR PARTS & LABOUR GUARANTEE

All of our products come with a 1 year parts and labour guarantee as standard.

10YR ANTI-PERFORATION WARRANTY

Our Galvanised steel products feature a 10 year anti-perforation warranty as standard. This guarantees the surface of our products from rusting through completely.

Customise your Parks Bin
