 Quad | £104.99

Message board can be extended to attach to the base of the unit to allow for both options.

LiftUp Flap
 Per Lid | £41.50

Lift Up steel flap, useful for improving fire prevention, as well as keeping in smells, particularly for General & Food Waste streams.

Please note this option is not available with the plastic lid.

Lockable Lid
 Per Lid | £14.99

Push Locks can be added to any of our lids to limit access, ideal for confidential waste units.

Please note this option is not available with the plastic lid.

Customisation Dimensions

The Box Cycle Double is available in 60 or 80 litres and can be manufactured with a backboard to include text or poster frames to show waste stream artwork.

Box Cycle Single units can be manufactured from metal or plastic and are also available as animal characters to encourage children to recycle.

The Box Cycle Cube Recycling Unit features four Box Cycle Singles riveted to one square base to secure them in place. This makes an ideal recycling station, with a choice of waste stream colours and apertures.

Our range of Box Cycles can be manufactured as bespoke units, shown here with wood effect plastisol.

The Box Cycle range is available as standard with your choice of fascia, which allows the collection of any specific waste stream. A4 vinyl artwork can also be added to the front of the unit to encourage recycling.
